Join JING Bits'n'Bots & MathWerks in 2019-2020!

JING Bits is our Computer Programming curriculum. It is designed to give children in grades 1-8 an understanding of the logic behind computer programming through fun programming projects. Our curriculum is aligned with Common Core Math, Common ELA, and CSTA Computer Science Standards, so while your child is having fun creating their new game or their next app, you know that they are also applying valuable

academic principles.

JING Bots is our Robotics curriculum. Our focus for 2019-2020 will be **Electromagnetism and Waves**, to give our students the knowledge to understand and reinvent their world. Along the way, they engage in powerful hands-on learning in STEM/STEAM and gain 21st-century skills and mindsets.

JING MathWerks guides children in grades K-8 through Math lessons at their own level and at their own pace through many short, focused, and fun math lessons. This is a great way for your child to catch up, to get ahead, or just to have fun while practicing their math.

Schedule: Each class is held once/week, during either the student's Homework Time or in place of one Wushu class.

Registration: Each program is an additional \$35/month. *Please initial by the "JING Electives" on the Tuition sheet in your Registration Packet!*

Arbitration means that neither you nor JING can sue each other in court over the dispute; instead, a neutral arbitrator will decide the matter, not a judge or jury. The arbitration shall be held at the AAA office nearest to the school Student joined, and all arbitration will be done according to AAA's Rules and applicable rules of the California Code of Civil Procedure. California law shall govern all disputes.

JING reserves the right to reject service to Students who are not attired appropriately.

Arbitration will cover all disputes related to Student's membership and this Agreement, including financial obligations, facilities, representations, personal injury, property, contact, and tort damage of any kind. If there is any dispute over the applicability of arbitration, only an Arbitrator, not a court, may decide upon applicability of arbitration; if such a situation occurs, the Arbitrator must hold a separate hearing on the applicability of arbitration before arbitration may proceed

If the arbitration proceeds further, the Arbitrator is limited to the terms of this Agreement. Whether Student or JING prevails in the arbitration, the maximum an Arbitrator may award is the cost of Student's current membership.

JING is not bound by any verbal agreements, nor by any arrangement not specifically stated in this agreement.

I understand that JING is a Heritage school and not a daycare. I understand that JING is a Heritage school and as such, my child(ren) is/are free to come and go and if my child(ren) is/are to stay at the facility, it is because of my direction and not the school's. I understand that JING is "exempt from child care licensure, and that attendance at a heritage school does not satisfy California's compulsory education requirements pursuant to Section 48200."

Entire Agreement and Enforcement: You acknowledge that neither JING nor anyone else made any representations or promises upon which you relied that are not stated in this Agreement. This document contains the entire agreement between you and JING and replaces any prior written agreement.
