

JING KIDS After-School 2025-2026

August 11, 2025 - May 28, 2026

Welcome to JING Kids!

Whatever our children choose to do in the future, we want them to have the mental, physical, emotional, and linguistic skills necessary to reach their goals.

What we do at JING Kids

Each day, every one of our JING Kids is scheduled for one Chinese Language (Mandarin) class and one Wushu (KungFu) class. Families can add STEAM Electives as they desire and schedules allow.

In our **Chinese** classes, kids practice the foundations of the Chinese language – we want them to understand and remember the structure of Chinese, which also serves as the foundation of most Asian languages. Kids practice reading, writing, speaking, and listening in a spiral-up curriculum. For breadth and context of learning, our kids also sing catchy songs and recite ancient poems in Chinese.

In **Wushu** class, we prioritize discipline, then resilience and strength and flexibility and coordination. We have many fun skills to teach our kids, and we are always proud to see how they improve in both athletic ability and mental fortitude as they learn.

For your convenience and the further edification of our students, we also offer electives in **Programming** (Bits), **Engineering** (Bots), **Math**, and **Dungeons & Dragons** (more math, and social-emotional learning). These classes are held once per week, per class. Bits and Math are computer-based programs that progress at your child’s own pace. Bots explores different facets of science and engineering with hands-on learning. D&D gives students a safe place to practice decision-making skills through interactive storytelling.

Each elective is an additional \$35/month. Students will be given a free trial or information session in each level-appropriate class before finalizing registration.

Incentives!

Early Registration Incentive: **Register by June 1** and get \$50 off your October Tuition!

Sibling Discounts: 1) Materials Fee is waived for siblings.

2) **Second Sibling** receives 5% Tuition Discount. **Third (and further) Sibling** receives 10% Discount!

Arbitration means that neither you nor JING can sue each other in court over the

dispute; instead, a neutral arbitrator will decide the matter, not a judge or jury. California law shall govern all disputes.

Arbitration will cover all disputes related to Student's membership and this Agreement, including financial obligations, facilities, representations, personal injury, property, contact, and tort damage of any kind. If there is any dispute over the applicability of arbitration, only an Arbitrator, not a court, may decide upon applicability of arbitration; if such a situation occurs, the Arbitrator must hold a separate hearing on the applicability of arbitration before arbitration may proceed

If the arbitration proceeds further, the Arbitrator is limited to the terms of this Agreement. Whether Student or JING prevails in the arbitration, the maximum an Arbitrator may award is the cost of Student's current membership.

JING is not bound by any verbal agreements, nor by any arrangement not specifically stated in this agreement.

I understand that JING is a Heritage school and as such, my child(ren) is/are free to come and go and if my child(ren) is/are to stay at the facility, it is because of my direction and not the school's. I understand that JING is "exempt from child care licensure, and that attendance at a heritage school does not satisfy California's compulsory education requirements pursuant to Section 48200."

Entire Agreement and Enforcement: You acknowledge that neither JING nor anyone else made any representations or promises upon which you relied that are not stated in this Agreement. This document contains the entire agreement between you and JING and replaces any prior written agreement. If a court declares any part of this Agreement invalid, it will not invalidate the remaining parts, which continue unaffected. If JING does not enforce any right in this Agreement for any reason, JING does not waive its right to enforce it later.
